

CHOOSING THE RIGHT WHITE SEWING MACHINE

Was your grandmother or your mother the proud owner of a White sewing machine? White has been providing top quality machines with innovative features since 1876. You can rely on a White machine to provide you with years of excellent service!

Selecting the White sewing machine model, which best meets, your needs will not be confusing when you follow a few simple guidelines. Think about the features and benefits that you would expect your new White machine to provide such as built-in buttonhole, decorative stitches, stretch stitches, etc. Ask yourself the following questions:

- What would I want my new machine to do that I can't accomplish on my current machine?
- What is my skill level; am I a beginning intermediate or advanced sewer?
- What type of sewing would I want to do; such as quilting, home décor, fashion sewing, crafting, or mending?
- What are the features that I would need to accomplish my sewing expectations?

Now is the time to look over the complete line of White sewing machines paying special attention to the specifications of each to find the one that is just right for you!
